AutoQC - Fail

If your file fails AutoQC, you have two options:

- Fix and resupply:** Please note, dragging and dropping file will not work if you have already uploaded the key number. Instead please click "re-upload".
- Send to Adpro:** Our team will fix for an additional fee.

Please note: If you reupload while order is in "Sent to Adpro" status, the file will not attach to your order. Please contact our team we can reset your status to re-upload.

HumanQC – Issues detected

Following AutoQC, Adstream perform HumanQC. If any issues are flagged, please advise our team how you would like to proceed when they contact you:

- Fix and resupply:** Please advise our team who will reset your status to re-upload.
- Adstream fix (additional fee):** Please advise our team when they contact you.
- Proceed with delivery as is:** Please advise our team when they contact you.
